**17.1** This section of the walk starts at the bus stop beside the church on Dorfstraße in Hamdorf.

There is a small supermarket just north of the start of the section. Occasional buses running between Rendsburg and Hamdorf serve the bus stop.

This is a viable location for an agreed pick-up or a drop-off by a supporting car and driver.

**17.2** From the bus stop beside the church, walk to the south on Dorfstraße, crossing to its right-hand pavement at a suitable location. Follow the road out of the village to cross the bridge over the River Eider.

Note on the right the Breiholz playground, with a slide which runs straight into the river.

**17.3** Continue up the road from the river to the T-junction at the top. Turn right, and follow the road (rather grandly named Hauptstraße) through the village. At the bottom of the hill, you will reach a bus shelter on the left: this is the bus stop named *Am Sportplatz*.

This point marks the end of this section of the Nord-Ostsee-Wanderweg.

Buses run between this point and Rendsburg.

This is a viable location for an agreed pick-up or a drop-off by a supporting car and driver.
