**24.1** This section of the walk starts on the main road at Dellbrück, at the junction with Barenstedterfeld, near a bus stop.

Occasional buses stop here on the route linking Albersdorf and Meldorf.

**24.2** Set off from the main road at the junction, walking along Barenstedterfeld in a southerly direction for 600m, then turn right at the crossroads.

The route continues ahead for 1.9km, as far as a T-junction, where turn left: after a further 700m, turn right. Ignore a road which goes off to the right, but continue ahead to take a broad right-hand bend, following the way until it reaches Farnewinkler Straße — the southernmost houses in Barenstedt are visible ahead.

Turn left onto Farnewinkler Straße, which changes its name at the first bend to Alte Dorfstraße (probably at an old parish boundary), indicating its former status as the main route through the village of Farnewinkel.

Indeed, the road leads to the village, with a bend to the right (the first of many twists and turns within the village, before reaching a junction. Take the left-hand option here to reach the next junction opposite a farm. Turn to the left, still on Alte Dorfstraße, and take the next street on the right, Schulstraße.

This bends to the left, then turns right at a junction. Next, Schulstraße bends right, then turns left at a junction, before running out to Farnewinkler Straße at a bus stop.

This is the end of this section of the Nord-Ostsee-Wanderweg.

The bus stop here has occasional services running on the route to and from Meldorf.
